

Notice for Pre-Tender Meeting

Project: Ammonia-Urea Fertilizer Plant At Namrup, Assam (India)

Client: Assam Valley Fertilizer And Chemical Company Ltd (AVFCCL)

Date: 10.10.2025

PROJECT: AMMONIA-UREA FERTILIZER PLANT AT NAMRUP, ASSAM (INDIA)

Establishment of gas based Ammonia/Urea Plant with state-of-the-art modern technology, has the potential to undoubtedly establish a sustained production level, at a comparable low specific energy consumption, as is achieved in modern gas based mega capacity plants in India. The new plant will be more environmental friendly due to zero effluent concepts adopted in modern plants. The plant will be operated hassle free on continuous long-term basis at high performance and energy efficient levels. The plant will help in industrialization of the North Eastern parts of India in general and Assam in particular.

Assam Valley Fertilizer and Chemical Company Limited (AVFCCL) is a Joint Venture Company of Government of Assam (GoA), National Fertilizers Limited (NFL), Oil India Limited (OIL), Hindustan Urvarak & Rasayan Limited (HURL) and Brahmaputra Valley Fertilizer Corporation Limited (BVFCL). AVFCCL intends to set-up a new Brownfield Ammonia-Urea Complex of about 12.7 Lakh Metric Tonnes (LMT) annual capacity of Urea production within the existing premises of BVFCL.

Projects & Development India Ltd. (PDIL) has been appointed by AVFCCL for “Preparation of Detailed Fesibility Report (DFR)” for the said plant.

The project is envisaged to be implemented on LSTK basis.

In view of the above, a Pre-tender meeting through Physical/Video Conference (VC) shall be organized on **16th October, 2025 at 15:00 Hrs (IST)** with all the prospective Bidders for subject Project. Only Interested bidders are requested to confirm their participation in writing to us in the below mentioned emails.

Annexure –I

PROJECT AT A GLANCE

1)	Name of the Project	:	Ammonia-Urea Fertilizer Project
2)	End Product	:	Urea
3)	Plant Capacity		
	- Ammonia	:	2200 MTPD
	- Urea (Neem coated prilled)	:	3850 MTPD
4)	Plant Stream	:	330 Days
5)	Project Time Schedule	:	48 Months (for LSTK Contractor)
