PDIL CONTINUES TO SUBSTANTIATE GOVERNMENT OF INDIA INITIATIVE

M/s Projects & Development India Ltd. (PDIL) has added another feather in its Cap while contributing in making INDIA self-reliant in Urea production. M/s Talcher Fertilizers Limited (TFL) has awarded the job of providing Project Management Consultancy (PMC) Services for its proposed Coal Gasification based Ammonia-Urea Complex along with associated Offsites & Utilities at Talcher, Odisha to PDIL.

Kick-off meeting has been concluded at PDIL's Noida Office on 17.07.2020 in the august presence of Senior Officials of TFL & PDIL.
